<https://takhfifan.com>

About: TAKHFIFAN COMPANY is the best group discount site in the highest rank in Iran. I have been working in this company as a graphic designer with Photoshop software.

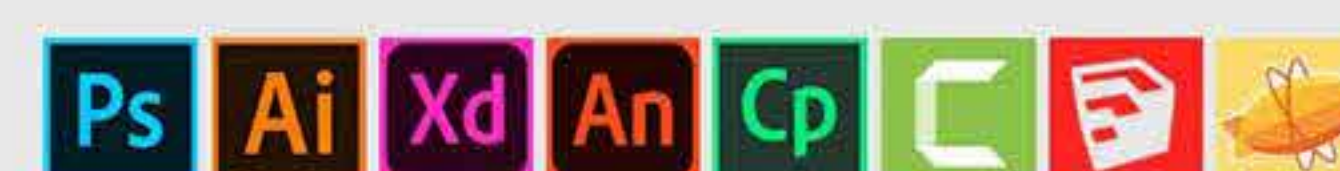

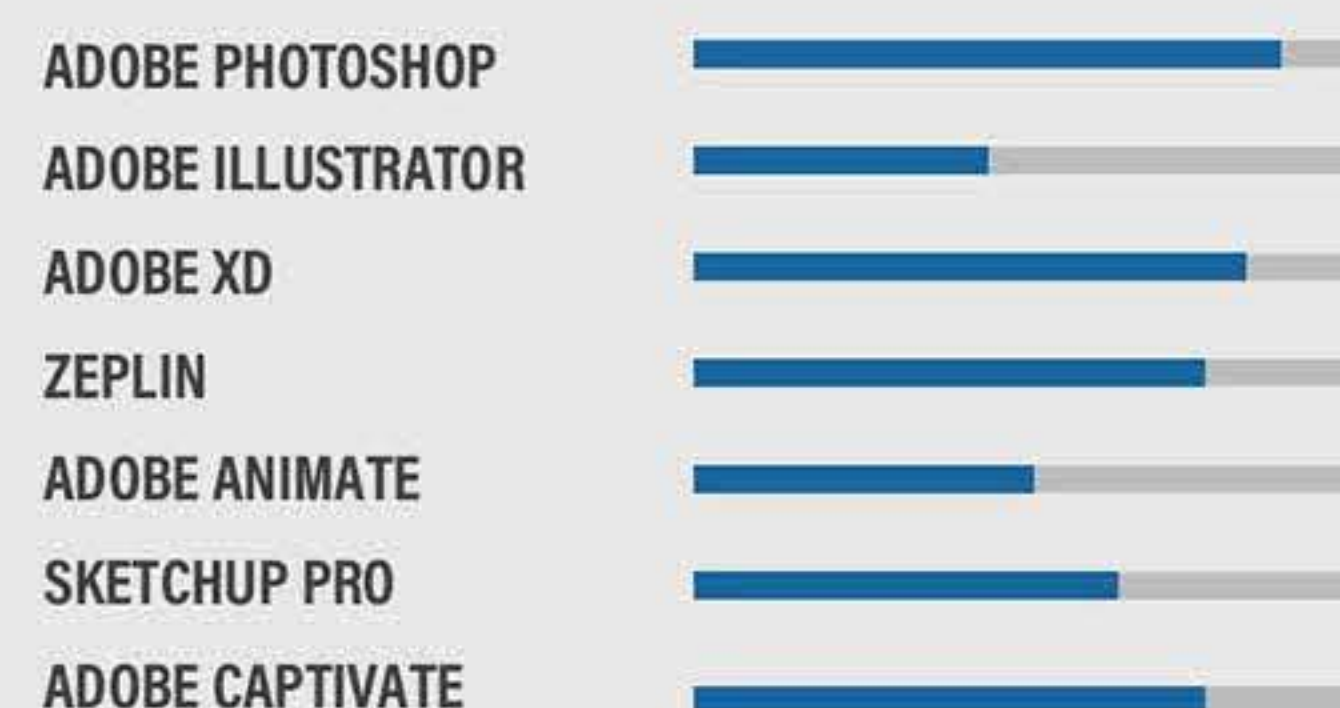

About Me: I'm always improving my skills and updating my knowledge about user interface and user experience, because I want to help companies and my teammates to reach their goals with the best and effective solutions.

One of my strengths is that i'm so creative in my life especially in Ui & Ux design that causes me to be a fast learner too.

Another is my focus on the job that i'm doing which leads to very high-quality results.

Because I know nowadays almost every successful company relies on high-quality software, so i'm very about my job and always try my best. I believe that it's a way to living well and making the world a better place to live
